AIM TRIO TALENT SEARCH

AIM TRIO Talent Search is a grant awarded to AIM by the US Department of Education. The goal of the grant is to provide students, parents and guardians with **free** resources that help students successfully graduate from high school and enroll in college. In attaining this goal, AIM Talent Search provides workshops, sessions, and enrichment activities which encourage students to perform at their highest potential and take an active involvement in setting their higher education goals.

WHAT DOES TALENT SEARCH OFFER?

AIM TRIO Talent Search offers students several different **free** workshops, sessions, and other special programs which assist middle and high school students in personal development, college preparation, and career exploration.

Services for Middle School Students:

- Academic Support
- STEM After School Programs
- Study Skills, Goal Setting & Time Management Skills
- Communication Skills
- Interest & Personality Assessments
- Daily homework help

Services for High School Students:

- Career awareness activities (such as field trips to colleges/universities)
- ACT prep and assistance with registration
- Financial Aid & Scholarship Advising
- College Prep Workshops for Students & Parents/Guardians
- Mentoring/Tutoring
- Summer Academies
- Daily homework help

WHO IS ELIGIBLE?

The AIM TRIO Talent Search program is offered to students in grades 6-12 at the following schools:

- **Woodrow Wilson Middle School - Council Bluffs, IA**
- **Thomas Jefferson High School - Council Bluffs, IA**

Students' eligibility for the program is determined based on their completion of a one-page application form and ability to meet federal guidelines. AIM seeks students who want assistance with coursework and improving their grades, are interested in learning more about careers in Information Technology (IT), who want to continue education beyond high school and are seeking guidance in choosing a career field.
